Hi Kirsty

Further to the email i sent you last night regarding the incident around [redacted] NO-A136 she also made a disclosure which was also mentioned.

So [redacted] NO-A136 disclosed last night that she had sex in her last foster placement with a male called [redacted] Name Redacted who lived next door.

[redacted] NO-A136 has been taken out by staff today and she has disclosed that [redacted] Name Redacted is 21 and was the foster carers son.

[redacted] NO-A136 hasn't stated if this was consented or not, and hasn't passed on any further information

Kind Regards
