Subject: re- Name Redacted

Hi

I have recently spoken to Name Redacted re Name Redacted as you all know, someone over the weekend told Name Redacted's grandmother Name Redacted about the allegation re the NO-F77 and Name Redacted's dad told Name Redacted what he had heard. Name Redacted has asked Name Redacted and she has said that she does not know anything but will find out who does for him to speak to. Name Redacted spoke about this to Phil Morgan on Tuesday.

This is putting Names Redacted in an intolerable position, they took Name Redacted in as a temporary placement while the police and social care decided what should happen to him. He was placed with them on the 28th May 2012 with a view to move him as soon as his exams were finished on 27th June. Names Redacted have been really responsible in not telling Name Redacted anything that would jeopardise the investigation but he is a young man of almost 17 not a small child and deserves to know what is happening to him as this is starting to affect him emotionally.

A decision needs to be made as to **who** will be responsible for informing Name Redacted of **what** is happening and this has to be carried out as quickly as possible. He needs to know **why** he has had to move, **where** he will be moving to and **when** this is going to happen. If he is to be interviewed by the police or social care please arrange a date and time for this. Name Redacted is old enough for us to put him in a hostel and let him live alone and if that had been the case the police and social care would have already, I hope, have told him what was happening. Just because he is safe at present with the Name Redacted does not mean that this should be any different.

This investigation seems to have lost sight of the children that are central to this enquiry, kids in care especially need to know what is going to happen next in their lives, at present Name Redacted is not getting any truthful answers.

Names Redacted are going on holiday on the 13th July with Name Redacted and want Name Redacted to have moved before this date.

Can someone please decide who is going to do this job and get on with it please for the sake of Name Redacted and the Name Redacted!

regards

Steph
