Dear **NO-A53**

10 February 2016

I have made several attempts to contact you by telephone over the past few weeks.

After our last conversation on 4th January 2016 you agreed you would contact me so that I could arrange to undertake a joint visit with the Police so that they could explain in more depth the reason they are not pursuing the allegations that you made.

If you would still like me to arrange this visit could you please contact me on the above telephone number and I will make the necessary arrangements.

I am on annual leave next week from 15th February and will be returning to work on 23rd February. Can I ask that you contact me by 26th February 2016?

If I do not hear from you I will assume that you no longer wish for me to arrange a visit and your case will close to Social Care.

Yours sincerely
