Dear **NO-A53**

9th March 2016

I wrote to you on 10th February asking you to contact me by 26th February to arrange for me to undertake a joint home visit with the Police so that they could explain in more depth the reason they are not pursuing the allegations that you made.

As you have not been in contact for me to arrange this I am writing to advise you that your case has now closed to Social Care. However, if you would like to get in touch to discuss support options, you can contact me on the telephone number above, alternatively you can speak to your G.P. who will be able to advise you.

I would like to wish you all the best for the future.

Yours sincerely
