

PRIVATE & CONFIDENTIAL

20th July, 1966.

My dear John,

R.N. Cotton has not in fact been ordained. He has just gone to Chichester, and the plan is that he should be ordained at Advent this year.

I suppose it is necessary to put his name on the 'C' list. Perhaps because there has been a court case this is inevitable, but it was over 12 years' ago, and I just wonder how long a man has to be in the clear before his name has to go on a list. If it is necessary well and good, but I would wonder.

Yours ever,

The Reverend J. Andrew,
Lambeth Palace,
London, S.E.1.
