From: Andrew Nunn
Date: 29 January, 2001
Subject: Peter Ball

Told the Archbishop of Canterbury that Bishop Peter Ball was booked to do confirmations at Wellington College on 18 March and Radley College on 20 May.

The Archbishop said that it had never been his intention that +PB should do work in schools. He instructed that it should be told of the background and that the Archbishop advised that the confirmations should not take place. If they chose to disregard the Archbishop's advice, it was their own decision.
