| 0930 | <p>With ADS WASLEY to Court Hotel - meeting in PENWORTH Rooms with Rev Brian TULER (Private Investigator) and MR. Chris PEAK, MR. Chris PEAR - solicitor - talked in very general terms about investigation and discussed possibility of + Peter accepting a caution for Gross Indecency in respect of Neil TODD - it was likely that if this course of action were taken that + Peter would resign, and would leave with intention to take up business with abroad. All present were concerned for health of + Peter. Explained Police side etc and fact that report would probably have to go still to DPP - talked about other issues relating to case. No commitments made other than fact that I would include in my report the issue that they had raised NE report at Chichester.</p> |         |
