Withdrawal of Permission to Officiate ([DPA])

I am writing following the meeting the Archdeacon of Lewes and Hastings and our Diocesan Safeguarding Adviser had with you on 13th July about the suspension of your Permission To Officiate in the light of the allegations against you and the advice of the Diocesan Safeguarding Group.

I confirm that your Permission to Officiate, previously suspended, will not now be restored and is thus now permanently withdrawn. There is no appeal against this decision.

Yours sincerely

[DPA]
