

- 11. On the 16th June, Father David was arrested at Ealing Police Station and interviewed on tape in the presence of his solicitor. A transcript of the interview is attached, but the gist is his denial to the assault.
- 12. He was bailed to return to Ealing Police Station at 2.30pm on Thursday 2nd July. He has not been suspended from his position within the school at this stage.
- 13. At the time of writing [RC-A595] wants Father David prosecuted and will attend Court to give evidence. He should make an excellent witness and appears thoroughly truthful. His mother and father are most anxious that we prosecute Father David.
- 14. It is our view that this matter should be brought before a Court.
